Learning Means the World – Our Wider Curriculum

This term, our Adventurers are learning about Slavery - Past and Present. The topic is called 'Cry Freedom.' We have defined slavery and servants and will learn about slavery in Europe, Asia, Africa and America. Although we will be studying History of slavery around the world, we will also be looking at Geography, Science, PSHE, Music, Dance and Art. We will look at the abolition of slavery and learn about modern day slavery, including child labour. We will look at the online International Slavery Museum, place events, people and changes on a timeline using AD/BC. We will compare their lives with other people around the globe. We will also look at what it means to have 'Human Rights', as well as how to treat others.

Reminders:

Spelling homework is on Edshed, as well as on the School website.

Reading books should be changed by the children as and when needed.

Doodlemaths is the best way to make sure your child is up-to-date with their maths reasoning.

Remember to keep practising your times tables as the Year 4 Times Table check assessments are in June.
