

This term, the children in UKS2 will be learning about *Invaders* in the history-based 'You're Not Invited' topic.

This topic explores the concept of invasion, before focussing especially on The Romans, learning about important Roman figures and their reasons for invading other countries. We will also learn about sources of evidence and their reliability.

To further consolidate our learning, we will also be visiting Ufton Court in February to experience aspects of Roman life in a series of immersive workshops.

Below are some optional activities to help you learn even more and show your creativity. Please bring any completed work to school so we can celebrate your efforts.

Using TinkerCAD software, can you design a Roman artefact or villa?

[www.tinkercad.com](http://www.tinkercad.com)

Using junk modelling, make a Roman item from the armoury e.g an axe.

Research the meaning of pacifism and some famous pacifists. Prepare a google slide of your findings to show the class.

Note down the name of any TV programmes you watch with the date in roman numerals at the end of the credits.

Imagine that you are the Emperor. Create a poster with a new decree for your citizens

Research Roman foods and design a menu for a Roman cafe or even try and make a

Can you work out the dates!?

that you think will improve life for them.

dish.
